CHARTERED ACCOUNTANTS

# WELCOME TO AUTUMN WITH MACDONALD PERNISKIE

**NEW TAX  
YEAR, NEW  
GOALS**

## **Get your financial forecasting sorted, sleep at night**

Financial forecasting and budgeting are critical tools for building resilience and financial options. We're working with a number of clients on plans to navigate this uncharted territory and reduce their stress so please do get in touch if we can help you.

With the end of the financial year all wrapping up, budgeting and planning for the year ahead is what comes next!

It's painful, we know. But the sooner it's done the sooner you know where you stand in this ongoing Covid environment. Financial forecasting has never been more important and while there's a world of uncertainty out there, knowing where you stand and what you need to do to survive and thrive can at least help you sleep at night.

Our staff in Gore, Queenstown and Winton are ready and waiting to help you get through. Give us a call.

## The things we love to do

It's no secret that we love a good A&P show. What's not to love? A great day out with family and friends, animals, baking, the show tent, the grand parade, entertainment for all and a jolly good celebration of rural life. That's why we stepped up to the plate and sponsored the community stage at the Lake Hayes A&P show in Queenstown for the first time this year. We were so glad we did. Queenstown's doing it hard right now but that day in January was a celebration of summer and one to remember.

## Wage Subsidy advice?

The government has updated it's wage subsidy advice as to what's available for businesses anywhere in New Zealand.

If you've seen a 40% decline in revenue over a consecutive 14-day period between Feb 28 and March 21, compared to a 'typical' 14-day period between Jan 4 and Feb 14 last year, you could very well qualify for support.

Everything you need to know is here on our website:

<https://www.mpltd.co.nz/covid-19/new-wage-subsidy-march-2021/>

Please don't hesitate to get in touch and we'll be happy to help you work out if your business qualifies for support.
